When is a square not a nerd?
When is a hoedown not gardening?
At a square dance!

When is a round not sung?
When it's cued at a square dance!

LARRY & SUSAN

SPERRY

CUERS

Larry and Susan are frequent cuers at the Cowtown Hoedown. Both are highly acclaimed dance choreographers and regularly publish new dances that are used nationwide. They have been cueing and teaching since 1983 at local, regional, and state festivals; USA WEST; and the Canadian National. They are club cuers for The 59ers in Billings, Montana. We are looking forward to the smooth cues which provide an interesting and elegant round dance experience.
